## ACKNOWLEDGEMENTS

I would like to express my sincere gratitude for the help, support and co-operation of all teachers and staff of Agricultural Systems Program of Chiang Mai University and University of Agriculture No. 3, Bac Thai, Viet Nam for assisting in the progress and completion of this study.

My profound gratitude and respect is to Dr. Sakda Jongkaewattana, my academic and thesis advisor, whose generous support, advise, recommendation have guided me throughout my graduate program to final completion of this research. I am also sincerely indebted to Mr. Phrek Gypmantasiri, Dr. Methi Ekasingh, Dr. Benchaphun Shinawatra, committee members, and Dr. Benjavan Rerkasem, Program Chairman, for their help, valuable advise and encouragement.

It is also with my deepest thanks, appreciation, gratitude and respect to Prof. Dr. Nguyen Dau, Prof. Dr. Vo Tong Xuan, Dr. Nguyen Khanh Quac and Dr. Nguyen Van Tien who gave me many great opportunities, much valuable guidance, and hope in my studies.

It is a pleasure to acknowledge with compliments the great help and co-operation of my wife, Mrs. Do Ngoc Oanh and my colleague, Mr. Le Si Loi, whose assistance contributed to the success of my research.

I am especially thankful to Mr. Thien's parents, farmers and officers in the Agricultural Departments of Bac Thai, Cao Bang and Lang Son, whose willingness, patience and sincerity in working with me as well as providing valuable information made this study successful.

Thanks are also extended to all my teachers, staff members of AGS program, especially Dr. Sunthorn Buranawiriyakul, Dr. Tavatchai Radanachalee, Dr. Attachai Jintrawet, Mr. Chanchai Sangchyoswat, Mrs Nuansi Likit-Anurucks, Miss Suporn Amarueckachoke who provide various forms of help. I am very grateful to all my friends: Mrs Kinh, Tam, Mr. De, Tuyen, Well, Dung, Dac, and my classmates, and colleagues,

Mr. Sanzidur, Panya, Tospol, Pisut, Panomsak, Miss Bijaya, Pilai, Somchit and all others for their helpful assistance and congeniality.

My special gratitude and appreciation to Mennonite Center Committee, Mr. and Mrs. Kauffman, Co-directors of the Center for Education Exchange Programs, who gave me the invaluable support and encouragement throughout my stay in Thailand. This study could not be successfully completed without their support.

Above all these, with all my love and gratitude express to my parents and my wife, son, daughter, and my brothers and sisters, who have been looking forward to my success.
