ACKNOWLEDGEMENT

The author would like to express the deep sense of gratitude to the academic advisor, the chairman of the thesis examining committee, Mr. Phrek Gypmantasiri, for the advice, encourage, guidance and support of the graduate study.

He would also like to place on record his sincere thanks to all of lectures, professors, especially Assoc. Prof. Dr. Benchaphun Ekasingh, Assoc. Prof. Dr. Tavatchai Radanachaless for their invaluable suggestions and constructive comments.

The acknowledgement also goes to the staff of Agriculture System Programme whose has facilitated and equipped the tools and materials during the study, especially Miss Woralak Suteerawantana and Mr. Panomsak Promburom.

Special thanks are extended to the AGS students for sharing ideas, good co-operation and friendly environment. Special recognition goes to Mr. Duong Viet Tinh, Mr. Sayan Tanpanich, Miss Budsara Limnirakul, his close friends, Le Quang Bao, Patcharin Nawichai. He wish to express his thanks to his English friends John Bradley & Janice Kerby. He would also like to take this opportunity to acknowledge all of Thai-Vietnamese people in Chiang Mai for their supports whilst he is studying in Thailand, special thanks to Mr. Ha Van Tri, Ms. Ha Thi Van Lang, Mr. Tawin Pinichwatana Dam Van Quynh, Mr. Phuong Suksii Bui Van Chinh.

He would like to thank leaders and staff of Hue University of Agriculture and Forestry, and Faculty of Forestry (FFHU), who have helped him in his data collections in Vietnam. Special recognition goes to Dr. Vo Hung, Dr. Nguyen Thanh Thu, Dr. Le Khac Huy. He also thanks to farmers and local officers at Hongha, Hongtien, Binhthanh and Huongho communes, who patiently answered his questions. He can not forget thanking his FFHU juniors and students for their help him in field surveys.

He is grateful to the Department of Technology and Economic Co-operation (DTEC) and Chiang Mai University for granting scholarship for his study in MCC.

Finally, high pleasure is due to his parents for all of love, his younger brothers and sister, encouragement during his endeavor.

Ho Dac Thai Hoang
