### **Acknowledgements**

There are many people who have contributed to my success in study and research as well. Firstly, I would like to express my sincere and genuine gratitude to my esteem advisor, Assoc. Prof. Dr. Benchaphun Ekasingh for her excellent guidance, critical suggestions and invaluable help throughout the entire period of study. Her moral support and unreserved cooperation will be ever existing in my memory.

I am very grateful to Lecturer Phrek Gypmantasiri, Chairman of MCC as well as the committee member of the examination committee, for his kind help. He brought me to the study Program of MCC, which gives me a promising future. If without his help I would have not enjoyed this study Program. His kindness will be ever being kept in my mind. I also would like to thank you for his significant suggestions, which enhance the value of my research.

Special thanks are extending to Assoc. Prof. Dr. Tavatchai Radanachaless and Lecturer Laxmi Worachai for their kindness in serving as the committee member of the examination committee and their critical suggestions for the research.

Sincere thanks go to all professors and staffs of agricultural system program for their enormous help and cooperation during my study period. I am very much delighted to pay thanks for the warm friendship provided by all MCC friends. Their kind cooperation in study as well as in other activities are unforgettable.

I wish my appreciation to the Center for Rural Development, Hue University of Agriculture and Forestry for arranging me to study in the Program. My special thanks are due to the leaders and officers of the Quang Luu commune and villagers of the Van Tien village for their cooperation and help during my field survey.

Deep thanks go to the Ford foundation for offering the full scholarship, which enable the author to study at Chiang Mai University in Master degree program.

Finally, I would like to dedicate this thesis to my family, my mother, father and wife, and wish to express my deepest appreciation and indebtedness to my family, my mother and father, and my wife for their all support, encouragement and understanding during my studying and staying abroad.
