Acknowledgements

There are many people to whom I wish to express my profound thanks for their invaluable help, contribution, sharing, and sacrificing of their time to my overall experiences during my graduate studies for M.S. in Agricultural Systems at Chiang Mai University.

My respectful acknowledgement and deepest thanks to my Ajarn Assoc. Professor Dr. Aree Wiboonpongse, my academic and thesis advisor and chairperson of my thesis examining committee, for her invaluable guidance, encouragement, understanding and stimulating suggestions from the beginning to the end of my study.

I am greatly indebted to my co-advisors, Ajarn Dr. Songsak Sriboonchitta, Ajarn Laxmi Worachai, and Ajarn Dr. Kamol Ngamsomsuke for their great guidance, kindness, suggestions, comments, and criticisms at every stage of my study.

My special thanks to all respected academic faculty members of the Agricultural Systems Program for providing interesting and useful lectures. I also would like to express my thanks to Khun Woraluk, the Secretary of the Multiple Cropping Center (MCC) for her special help and kindness. I would also like to thank other MCC staff for their kind help.

Extremely great thanks go to the Ford Foundation for its financial support throughout my graduate study and thesis research.

My thanks are also expressed to the leaders and my colleagues of the College of Economics, Hue University for their kind help.

I thank very much the farmers in Phu Vang districts for their cooperation in my interviews as well as my relatives in Phu My commune for their kind and valuable help in field survey. Thanks also go to the students of the Department of Fishery of the Hue College of Agriculture and Forestry for their help during the survey.

I would like to thank all my 18 classmates (Malleerat Nimnuan, Deunram Borgern, Dorjee, Khampheng Mounmeuangxam, Pech Sithan, Utt Autchariyanomtree, Somsamout Phongsavath, Thongsamout Phoummasone, Bui Tuan, Do Ngoc Sy, Le Thi Minh Chau, Duong Dang Khoi, Nguyen Chi Trung, Nguyen Duy Phuong, Nguyen Thi Chuc, Do Quang Giam, Trinh Thi Tien and Truong Quang Hoang) and AGS friends for their substantial help, nice hospitality, and for sharing their experiences.

The patriot Vietnamese overseas in Chiang Mai (Bác Chính and Bác Quỳnh's families) are paid much respect and thanked for their kindness, support and necessary help.

Finally, and most of all, I owe my deepest thanks to my respectful parents (Lê Văn Túc and Ngô Thị Lợi), my parents-in-law (Nguyễn Trọng Anh and Nguyễn Thị Vân) for their love and encouragement, and their support of my educational advancement. I am blessed with the love, understanding, and encouragement of my wife, Nguyễn Thị Phương, who has been my great source of inspiration and dedication. My deepest love to my soon-to-be-born son and his mother, who has been without me during her pregnancy. Thanks are also due to my elder sister, younger brothers, sisters-in-law and brother-in-law for their encouragement and their help.
