## ACKNOWLEDGEMENTS

I would like to thank former director of the Research Institute of Fruits and Vegetables - Prof., Dr. Tran Van Lai; the director of the Institute - Assoc. Prof., Dr. Vu Manh Hai for their consent to undertake the post graduate study.

My study would not have been accomplished without the enlightened and tireless guidance of Assoc. Prof., Dr. Tavatchai Radanachalee, my academic and thesis advisor, who even at odd hours provided comments and advises that contributed to successful completion of my thesis. He has been the great source of moral inspiration and work ethics that complemented my enhanced knowledge.

I am ever grateful to my thesis Chairperson, Dr. Tavatchai Radanachalee, Assoc. Prof., for his constructive comments. The valuable comments of the other thesis committee members: Lecturer, Mr. Phrek Gypmantasiri, Assist. Prof., Dr. Sakda Jongkaewwattana, and Assoc. Prof. Dr. Anan Polthanee are duly acknowledged.

My heartfelt gratitude goes to the staff of the Thanhha and Chiling districts, particularly Mr. Tran Van Boi, the head of the Thanhha Plant Protection Station, Mr. Nguyen Van Hao, the head of the Chiling Plant Protection Station, for their full corporation and support in conducting my field survey. I equally extend my gratitude to the farmers and the head of the communes for their support in my field survey. I would also like to thank Dr. Vu Manh Hai, Assoc. Prof., who gave me comments and advises during my field survey. I would like to express my gratitude to Dr. Nguyen Quoc Hung, the vice head of fruit department, Mr. Nguyen Van Dung, the staff of fruit department, research institute of fruits and vegetables, for sharing their experiences and providing the personal documents and books on the litchi.

Many thanks are due to both the teaching and non-teaching staff of the Multiple Cropping Center and my colleagues.

I would like to thank the Rockefeller Foundation for providing me the scholarship without which it would not have been possible to pursue my study.

Many sincere thanks to my classmates, Mr. Tayan raj Gurung, Mr. Le Truong Giang, Mr. Vo Minh Hai, Mr. Hay Rasmey, Ms. Nguyen Ngoc Thy, Miss Wannaporn Kasemsri, Miss Wanwilai Julaphan, Ms. Woralak Wongwiwat, Miss Chatnapa Prommanon, and Mr. Jenkit Rangsichamras.

Lastly, I would like to extend my great appreciation and gratitude to my wife - Pham My Linh, to my daughter - Ngo Trang Linh, and to my beloved son - Ngo Viet Luong for their inspiration, difficult and strenuous endurance for my absence in two long years to complete the study successfully.
