There are many people to whom I would like to extend my sincere thanks for their support and invaluable help during my stay in Chiang Mai.

I would like to express my deepest gratitude to Asst. Prof. Dr. Pattana Jierwiriya-pant, my academic advisor as well as chairperson of my thesis advisory committee for her advice, support, encouragement, constructive comments and guidance.

I would like to wish my profound gratitude to the members of my thesis advisory committee, Assoc. Prof. Dr. Benchaphun Ekasingh and Ajarn Phrek Gypmantasiri and external examiner Assoc. Prof. Nongluck Suphanchaimat for their support, guidance, encouragement, constructive comments and suggestions.

I would like to express my thanks to all the farmers of the study site, without their help and cooperation this research could not have been accomplished. Thanks also go to the District Agricultural Development Office, Jhapa; District Livestock Development Office, Jhapa; Agricultural Development Bank Regional office, Birtamode; District Development committee, Jhapa, Women Development Office, Jhapa and other several institutions for their help and cooperation during data collection.

I extend my sincere thanks to all the teaching and non-teaching staff of the Multiple Cropping Center, Faculty of agriculture, Chiang Mai University, whose co-operation, invaluable guidance, knowledge sharing and experience helped me to complete my study successfully. I would also like to express my thanks to Woraluck Suteerawantana for her cordial and genuine help to solve the problems in every aspect during my stay at Chiang Mai.

My sincere appreciation goes to the Department of Technical and Economic Cooperation (DTEC), Thailand for providing financial support to under take this study.

I am very much pleased to thank and appreciate to all of my batch mates Bhawani, Bhim, Kailash, Dophu, Wattana, Ha, Duc, Pereis, Resmay, Kumudu and all AGS friends for their help, support and sharing of experience with whom, I enjoyed friendly and cordial environment.

I wish to extend my deepest gratitude to my respected parents for sacrificing their time, love, patience and supporting my educational advancement. Special thanks also go to my mother in-law for her support and help to my family during my study. I could not have been accomplished my study without encouragement of my wife, who is my source of inspiration. I owe my deepest gratitude to my beloved wife Sumitra Bista and also my sons Sumit and Sabal.

Finally, I would like to express my thanks to my brother and sisters and brother in-law and sister in-law for their encouragement, love and inspiration.

Hasta Bahadur Bista
