Acknowledgements.....	iii
Abstract (Thai).....	v
Abstract (English).....	ix
List of Table.....	xvi
List of Figures.....	xvii
Acronyms and Definitions.....	xix
<b>Chapter 1 Introduction.....</b>	<b>1</b>
1.1 Background.....	1
1.2 Rationale of the study.....	4
1.3 Objectives.....	6
1.4 Usefulness of study.....	6
1.5 Scope of the study.....	6
<b>Chapter 2 Literature Review.....</b>	<b>8</b>
2.1 Gender Concept.....	8
2.2 Workload.....	9
2.3 Access and control of resources and benefits.....	11
2.3.1 Land.....	11
2.3.2 Credit.....	13
2.3.3 Household income.....	14
2.3.4 Agricultural extension services.....	15
<b>Chapter 3 Research Methods.....</b>	<b>17</b>
3.1 Selection of study area.....	17
3.2 Conceptual Framework.....	18
3.2.1 Activity profile.....	18

3.2.2 Access and control profile .....	18
3.3 Data collection .....	19
3.3.1 Primary Data .....	19
3.3.2 Secondary data.....	22
3.4 Data Analysis .....	22
<b>Chapter 4 Socio-economic and Demographic Profile of Study Area.....</b>	<b>24</b>
4.1 Geographical Location .....	24
4.2 Hydrology and climate .....	24
4.3 Land and land use .....	27
4.4 Demographic, social and economic characteristics of the study area .....	28
4.4.1 Demography .....	28
4.4.2 Education .....	30
4.4.3 Infrastructure.....	31
4.4.4 Occupation and income .....	32
4.4.5 Land holding and tenurial arrangements .....	34
4.4.6 Livestock holding .....	35
4.4.7 Social structure .....	36
4.4.8 Product and market .....	37
4.5 Agricultural systems in the study area .....	39
4.5.1 Crop sub-system .....	39
4.5.2 Livestock sub-system .....	44
4.5.3 Off- farm activities .....	46
4.5.4 Interrelation between different components of agricultural systems .....	47
<b>Chapter 5 Gender Roles in Agricultural Systems.....</b>	<b>52</b>
5.1 Workload by gender .....	52
5.1.1 Daily Activities and workload .....	52
5.1.2 Seasonal activities and workload .....	56
5.2 Gender participation in agricultural production .....	58
5.2.1 Food grain production .....	59

	<b>Page</b>
5.2.2 Vegetable Cultivation .....	63
5.2.3 Large animal raising .....	65
5.2.4 Small animal raising .....	68
5.3 Labor use pattern in agricultural production.....	72
5.3.1 Cereal production .....	73
5.3.2 Vegetables .....	77
5.3.3 Animal rearing .....	79
<b>Chapter 6 Access and Control of Resources.....</b>	<b>86</b>
6.1 Review of existing rights and policies related to women .....	86
6.1.1 Property right and women .....	87
6.1.2 Land reform policy and women .....	88
6.1.3 Agricultural credit policy and women .....	88
6.1.4 Agricultural extension policy and women .....	89
6.2 Factors that hinder women's access and control of resources .....	93
6.2.1 Access and Control of Land .....	93
6.2.2 Access and Control on Credit .....	95
6.2.3 Household income .....	97
6.2.4 Agricultural Extension .....	99
6.3 Access and control of resources .....	102
6.3.1 Land Holding .....	102
6.3.2 Agricultural Credit .....	105
6.3.3 Household income .....	109
6.3.4 Agricultural extension programs .....	111
6.4 Decision making in agricultural production and household activities.....	113
6.4.1 Cereal crop production .....	113
6.4.2 Vegetable production .....	115
6.4.3 Rearing large animals .....	116
6.4.4 Rearing small animals .....	117
6.4.5 Household activities .....	118

	<b>Page</b>
<b>Chapter 7 Conclusion and Discussion.....</b>	<b>121</b>
7.1 Conclusion and discussion .....	121
7.2 Suggested agricultural policies for women in the district .....	128
7.3 Suggestions for further research .....	131
<b>References.....</b>	<b>132</b>
<b>Curriculum Vitae.....</b>	<b>138</b>

## List of Table

<b>Table</b>	<b>Page</b>
4.1: Demographic situation of study area .....	29
4.2: Household income in study area .....	33
4.3: Land Distribution by farm size in Jhapa district.....	34
5.1: Daily work performed by men and women of Jhapa district.....	53
5.2: Daily work routine of gender by detail activities and time spent .....	55
5.3: Monthly agricultural activities performed by men and women of study area .....	57
5.4: Men and women's participation in crop production in Jhapa district.....	59
5.5: Men's and women's participation in different activities of crop production in Jhapa district.....	61
5.6: Men's and women's participation in large animal rearing in Jhapa district.....	65
5.7: Men's and women's participation in different activities of large animal rearing..	66
5.8: Men's and women's participation in small animal rearing in Jhapa district .....	69
5.9: Men and women's participation in different activities of small animal rearing in Jhapa district .....	70
5.10: Labor use pattern of different communities in crop production in Jhapa district	74
5.11: Labor use pattern in different activities of crop production in Jhapa district.....	75
5.12: Labor use pattern of in large animal rearing in Jhapa district .....	79
5.13: Labor use pattern in different activities of large animal rearing in Jhapa district	81
5.14: Labor use pattern in small animal rearing in Jhapa district .....	83
5.15: Labor use pattern in different activities of small rearing in Jhapa district .....	84
6.1: Land holding by male and female in Jhapa district .....	103
6.2: Agricultural Credit taken by men and women in Jhapa district .....	105
6.3: Decision making by men and women to take loan and use of capital in agricultural production in Jhapa district.....	106
6.4: Average household income in Jhapa district .....	109
6.5: Involvement of men and women in making decisions of crop production.....	114
6.6: Involvement of men and women in making decisions of animal rearing .....	116
6.7: Involvement of men and women making decisions in household activities.....	119

## List of Figures

Figure	Page
3.1: Conceptual framework for gender analysis .....	19
4.1: Map of Nepal showing Jhapa district .....	25
4.2: Map of Jhapa district and village development committees showing study area.	26
4.3: Monthly average temperature and rainfall distribution of Jhapa district.....	27
4.4: Land use in Jhapa district.....	28
4.5: Literacy in the study area.....	30
4.6: Land holding size of study area.....	35
4.7: Average number of animal holding .....	36
4.8: Cropping pattern of Jhapa district.....	42
4.9: Crop calendar of Jhapa district .....	44
4.10: Livestock breeds in Jhapa district.....	46
4.11: Inter-linkage between components of agricultural system .....	49
5.1: Daily working hours by activities in Jhapa district.....	54
5.2: Seasonal workload of farmers in Jhapa district .....	58
5.3: Men's and women's participation in different activities of paddy production.....	60
5.4: Men's and women's participation in different activities of maize production .....	62
5.5: Men's and women's participation in different activities of wheat production .....	63
5.6: Men's and women's participation in different activities of vegetable production	64
5.7: Men's and women's participation in different activities of cattle rearing.....	67
5.8: Men and women participation in different activities of buffalo rearing.....	68
5.9: Men's and women's participation in different activities of goat rearing.....	70
5.10: Men's and women's participation in different activities of pig rearing .....	71
5.11: Men's and women's participation in different activities of chicken rearing .....	72
5.12: Labor contribution in agriculture.....	73
5.13: Labor use pattern of different economic classes in paddy production .....	74
5.14: Labor use pattern of different economic classes in wheat production.....	76
5.15: Labor use pattern of different economic classes in maize production.....	77
5.16: Labor use pattern of different economic classes in vegetable production.....	78

<b>Figure</b>	<b>Page</b>
5.17: Labor use pattern of different economic classes in cattle rearing.....	80
5.18: Labor use pattern of different economic classes in buffalo rearing.....	82
5.19: Labor use pattern of different economic classes in goat keeping .....	83
5.20: Labor use pattern of different economic classes in pig keeping.....	85
5.21: Labor use pattern of different economic classes in poultry keeping .....	85
6.1: Factors that affect women's access on land.....	94
6.2: Factors that affect women's access on agricultural credit .....	96
6.3: Factors that affect women's access on household income .....	98
6.4: Factors that affect women's access on agricultural programs .....	101
6.5: Decision making by women on women owned land .....	104
6.6: Involvement of men and women in making decision to use capital.....	107
6.7: Decision to take agricultural credit by men and women .....	108
6.8: Household expenditure by gender .....	110
6.9: Participation men and women agricultural extension programs.....	111
6.10: Men and women participation in livestock extension programs .....	112
6.11: Participation in decision process in cereal production by gender.....	114
6.12: Participation in decision process in vegetable production by gender.....	115
6.13: Participation in decision process in large animal rearing by gender .....	117
6.14: Participation in decision process in small animal rearing by gender.....	118
6.15: Participation in decision process in household activities by gender.....	120

### Acronyms and Definitions

ADB	Asian Development Bank
ADB/N	Agricultural Development Bank, Nepal
APP	Agricultural Perspective Plan
CBS	Central Bureau of Statistics
DADO	District Agricultural Development Office
DDC	District Development committee
DLDO	District Livestock Development Office
FAO	Food and Agriculture organization
FYM	Farm Yard Manure
GDI	Gender Related Development Index Cooperation
HDI	Human Development Index
HMG/N	His Majesty's government, Nepal
MoAC	Ministry of Agriculture and Co-operatives
PRA	Participatory Rural Appraisal
SDC	Swiss Development Cooperation
