Thank many people for their help and cooperation during my research. First and foremost, I would like to show my deepest gratitude to my supervisors, Assoc. Prof. Dr. Luechai Chulasai and Assoc. Prof. Dr. Sasipen Phuangsaichai, they are respectable and responsible teachers, who have provided me with valuable guidance during my thesis writing. This thesis completed would not have been possible without their support and encouragement by enlightening instruction, impressive kindness and patience. Their keen and vigorous academic observation enlightens me not only in this thesis but also in my future study.

I would like to appreciate to all thesis academic committees for giving the good and creative ideas, the time spending to improve my thesis. My enormous appreciations are also to all my teachers for their effort to give me knowledge. Thanks also to all the real estate agencies for data supporting. I am grateful all the housing agencies, the housing administration institutions and the department of local government statistic bureau for the data supporting. And I would like to thank all my friends give me a hand during the data collection.

Finally, I owe eternal gratitude to my family for supporting and encouraging me in every aspect through my life, I also would like to extend my appreciation to those people helped me whose names are not list here.
