ACKNOWLEDGEMENT

I would like to express my sincere gratitude and deep appreciation to my supervisor, Dr. Tri Indrarini Wirjantoro, for her kindness, excellent supervision and consistent encouragement throughout this study. She is always so kind and supportive.

Grateful thanks to Assistant Professor Dr. Aphirak Phianmongkhol and Assistant Professor Dr. Prasert Hanmoungjai for their kindness, valuable comments and suggestions.

Grateful thanks to the Department of Food Science and Technology, Faculty of Agro-Industry for my graduate study.

I am pleased to express my grateful thanks to my classmate and all staff in the Department of Food science and Technology, Faculty of Agro-Industry for their helpful and encouragement.

I am deeply indebted to Miss Darawan Rukpoun for her helpful in computer work.

Finally, I would like to express my deep gratitude to my parent for their loves, financial support and encouragement which have enable me to reach my goal.

Orawan Boonret
