## ACKNOWLEDGEMENTS

Foremost, I would like to thank Multiple Cropping Centre (MCC), Faculty of Agriculture, Chiang Mai University, Chiang Mai, Thailand to save me well in all supportive ways during this study period.

I would like to make my deepest thankfulness to my Thesis Advisor, Assoc. Prof. Dr. Benchaphun Ekasingh, on her invaluable guidance, advice and care throughout this whole thesis period. I would like to extend my heartiest thanks to my thesis committee members Assoc. Prof. Dr. Benchaphun Ekasingh, Asst. Prof. Dr. Kamol Ngamsomsuke and Asst. Prof. Dr. Manu Seetisarn for their rigorous scrutiny of the study.

I would like to appreciate my endless thanks to my Lecturers Assoc. Prof. Dr. Aree Wiboonpongse and Dr. Jirawan Kitchaichaoen for their guidance on the subjects of advanced econometrics and analysis of agricultural systems. At this point, I would like to refer Assoc. Prof. Dr. Songsak Sriboonchitta and Lecturer Pathairat Pastpipatkul who kindly accommodate me during their sessions on the subject of econometrics in Faculty of Economics, Chiang Mai University. I would like to make my sincere thanks to Asst. Prof. Dr. Thaworn Onpraphai for his advanced arrangements and preparations of seminar classes on the thesis writing progress.

Moreover I would like to gratefully acknowledge all of my Arjarns who I met during this study period in Multiple Cropping Centre, Chiang Mai University. I would like to oblique my special thanks to sisters' Khun Nim (Miss. T. Naruemon), and Khun O (Miss. P. Chatnapa) for their excellent services during our stay in Chiang Mai, Thailand.

I am forever indebted to my family for their kindness, encouragement and full moral support throughout this study period. I would like to express my special gratitudes to Khun Jai (Ms. M. Chorpaka), Khun Nic (Miss. S. Maliwan) and Miss. K. Wannapha who helped me well to translating the Thesis abstract in Thai Language. I would like to gratefully accept the kindness of my friends who ever accompany with me during this study period.

I would like to gratefully acknowledge my institution Eastern University, Sri Lanka, to release me with two years study leave to continue study in Thailand. I am very much indebted with the help of responsible staffs of Karaitivu Divisional secretariat division for their information and accompany during my data collection. My great gratitudes also go to Thailand International Development Co-operation Agency (TICA) and Colombo Plan which are the responsible scholarship agencies funded me for this study. I would like to make my thanks to Graduate school, Chiang Mai University for their arrangements to fulfill this study.

Finally I would like to thank the majesty of Sri Lanka and the majesty of Thailand to enriching me with this holy Master degree. Once again, I would like to thank everyone who helped me to make mature this study successfully in every way.
