ACKNOWLEDGEMENTS

'Behind success of a man, often occur with the support of many women'. It truly believes for my life. First, I would like to thank my beloved mother, the second for my grandmothers and the last one for my best thesis advisor.

I would like to thanks her, Assoc. Prof. Dr. Soraya Ruamrungsri for giving me a greatest chance as Ph.D. student and for her kindly support, valuable guidance, interest, advice and never ending her generosity over the past 5 years in Chiang Mai.

I wish to express my sincere thanks to Prof. Dr. Takuji Ohyama, Asst. Prof. Dr. Daruni Naphrom and Lect. Dr. Weenun Bandithya who served as the members of thesis committee and kindly made the valuable comments. Thank you to examinations committee for their comment.

I would like to thank the great encouragement from Japan, Prof. Dr. Takuji Ohyama, Assoc. Prof. Kuni Sueyoshi, Assoc. Prof. Norikuni Ohtake and the member of the laboratory of fertilizer and plant nutrition, Department of Applied Biological Chemistry, Faculty of Agriculture, Niigata University for their assistance and friendship to make me warm welcome.

I am indebted to Dr. Kanokwan Srigarm of the Central Laboratory, Faculty of Agriculture, Chiang Mai University, who kindly help technical assistance to hormone analysis.

Thank you very much to Asst. Phunsup Seubma of the Department of Horticulture, Faculty of Agriculture, Kasetsart University, who ignited a passion and inspired me to see the beauty of the flowers and pushed me to Chiang Mai University. I am indebted to her.

Many thanks to my friends, Tee, Aum, Aor, Mod, Note, Tue, Lhong, Teay, Tay, Ying Oil, Mai, Gib, Namwhan and other people whose names I cannot recall instantly in the Horticultural Graduate Room, Chiang Mai University, who gave me helpful support pleasure, enjoyable atmosphere and warm relationship during the last 5 years.

Thanks are due to 'someone', who let me know that life is unexpected as well as it get, for his love, fraternity, understanding and patience.

I am grateful to the Royal Golden Jubilee Ph.D. Program through the Thailand Research Fund (TRF) for 5 years grants and the mainly financial supported. Thank you to His Majesty the King's Initiative Centre for Flower and Fruit Propagation, Thailand for valuable supported.

Finally, I would like to thank my parent, M. Sgt. Mr. Parada Hongpakdee, Mrs. Yupadee Hongpakdee and my family for their never ending love and huge encouragement which serve me to complete my success study.

Panupon Hongpakdee
