ACKNOWLEDGEMENT

First of all, I sincerely express my profound gratitude and respect to Assoc. Prof. Dr. Suraphol Sreshthaputra, my thesis advisor, and Prof. Dr. Pongsak Angkasith, and Assoc. Prof. Dr. Avorn Opatpatanakit for their intellectual supervision, invaluable guidance and comments to the successful completion of my thesis.

I am deeply grateful to members of the thesis committee, Prof. Dr. Anurak Panyanuwat and Assoc. Prof. Dr. Tawatchai Suppadit who have provided me with valuable comments and suggestions on the research contents. This study would not have completed without their support.

My sincere appreciation is extended to all farmers participated in Sufficiency Economy Philosophy (SEP) project of Phitsanulok Provincial Office of Agricultural for their cooperation with the field study.

My hearth thanks and appreciations go to staff of institutes in supporting farmers in learning SEP in Phitsanulok which consists of the government agency, Private Corporation and Academic Institutes in Phitsanulok, who are not mentioned for providing me with assistance to complete my study.

I would like to thanks the Rajamangkala University of Technology Lanna for providing me with the funding scholarship for this study and Postgraduate Scholarship of Graduate School, Chiang Mai University for providing me with partial funding. I thank them both for their encouragement and support throughout the study period.

I would like to knowledge my friend especially to all Doctoral Degree Students at the Department of Agricultural Economics and Agricultural Extension those who have inspired and contributed to me.

My heart thanks for Assoc. Prof. Dr. Paiboon Suthasupa and Prof. Dr. Cecil W. Dugger who are always kindness and helpfulness for me.

I am grateful to my father, mother, sisters, especially daughter and husband for inspiration, encouragement and helpfulness during many years of this Ph.D. research.

Sirin Simarak
