ACKNOWLEDGMENT

I would like to express my sincere appreciation and grateful thank to my thesis advisor, Asst. Prof. Dr. Samatchai Chamnongkich for his valuable guidance and encourage me throughout this thesis. I would like to thank my thesis advisory committee, Asst. Dr. Rumpa Boonsinsukh and Dr. Nuanlaor Thawinchai for their advice and support throughout this research project.

I would like to express a great thank to all participants to participate my research and I would like to thank the Piyamal elderly service center and the social welfare development for the older person, Tammapakorn, Chiang Mai for facilitating the participants and providing location.

Especially, I would like to give the special appreciation to my father who stood by my side throughout my graduate career and has helped me strive to do my best and maintain a positive attitude throughout my study period.
