ACKNOWLEDGMENT

I would like to express my gratitude to all those who helped me during the research.

My deepest gratitude goes first and foremost to my beloved family, my fiancée Lili Zhou for their loving considerations and great confidence in me all through these years.

Second, I would like to express my heartfelt gratitude to Associate Professor. Dr. Kanchana Chokethaworn, my supervisor, for her instructive advices and useful suggestions on my paper.

Third, I am grateful to Lect. Dr. Chukiat Chaiboonsri and Associate Professor. Dr. Prasert Chaitip they provide and examine the econometric methodology for this paper.

I also owe my sincere gratitude to Kunming University of Science and Technology, Oxbridge College for providing me the great opportunity to study in Chiang Mai University.

Ziqiang Li
